How to check your store

1. Official Subway store locator. 2. Subway app. 3. Google Maps, compare with the locator. 4. Call the store, most reliable on a holiday.

Good Friday note

Good Friday, April 3, 2026, has no standard rule at Subway. Some stores close, some open as usual. Call your store.

Sources and honesty note

Typical hours are a consensus across top hours pages, not one store. No exact holiday closing time is invented where franchise stores decide it themselves. Last checked October 30, 2026. Next update before Thanksgiving, November 2026.
